## PRODUCT FAMILIES

- *Peruzzi* Diamond cut inspiration

Inspired in the Peruzzi cut, considered to be the ancestor of the modern brilliant diamond cutting, these sunglasses have a brand new customized cut shaped lens. This optical frame design emphasizes a woman's delicacy making a statement of style at the same time. Available in 4 colours, cat eye and square shape.

## PRODUCT FAMILIES

- LAYERED ILLUSION

Layered constructions have been a design trend for the latest season's and these metal frames have an overlap of glaze colours upon the rim. The layered illusion caused by the colour overlapping highlight it's shape, glossy and charming finishing.
